All Advanced Training registration is accepted only through the ACADIS Portal. Registration will open 180 days before the class start date. Only the agency's Training Officer and/or assigned designee will be allowed to register candidates into classes. Registration will close 45 days prior to the start date of each class. Please review the pre-requisites for each class and additional information by clicking on the class name in blue prior to enrolling your candidate. If your candidate does not meet the prerequisites, they will be cancelled from the registration. To view the status of your officer's registration, go to the "Registration" Tab in ACADIS, scroll down the page to "Registrations for Upcoming Training Events", and check the status. If the status is "Enrolled", that is your confirmation your candidate is enrolled in the class. You cannot place a candidate on a waitlist for a future class that has not opened for registration. Classes are filled with 1 person per agency, and then if there is room available, more will be added. \*\*\* When registering a candidate for a class, before clicking the "Submit" button, it is important to put the Training Officers email address in the contact email address field. This will enable the Training Officer/designee to receive a confirmation via email when the candidate is moved from Registered (Pending) status to Enrolled.
